

Spring 2010 Spa Treatments

Available from March 1 – May 31, 2010

Ahhh Spring has arrived! Revitalize dull winter skin with the Apricot Collection from Eminence Organic Skin Care. This refreshing spring collection includes hydrating Apricot Oils to soothe and rejuvenate skin, from head to toe. Your skin will be refreshed and radiant looking!
The perfect way to start the spring season.

Ahhh-apricot Facial

This rejuvenating facial is packed with hydrating apricots to improve skin tone and texture while reducing the signs of aging. Complete with an application of SPF Minerals, this treatment will leave you with a fresh spring glow!

60 minutes \$115

Apricot Sugar Glow

Get spring ready skin! Soothing apricots and raw sugar cane granules combine in this full-body exfoliation. Complete with a luxurious apricot oil application; infused with rich vitamins, anti-oxidants and essential oil, this treatment will leave you with ultra-soft skin.

60 minutes \$105

Sweet Feet Apricot Pedicure

The sweet caress of apricot heals tired feet, while a foot paraffin treatment soothes and moisturizes dry cracked skin. Relax into a hand and arm massage while your toes are drinking in moisture. Finish with a flirty spring polish for truly sweet feet.

60 minutes \$95

Apricot Massage

Hydrating apricot kernel oil, jojoba oil and pomegranate seed oils come together during this luxurious massage, softening and nourishing dry skin. This vitamin and anti-oxidant packed treatment will help skin retain it's elasticity and suppleness.

60 Minutes \$135
